Fiscal Year

Our "fiscal year" begins June 1 and ends May 31. Our new officers and board are inducted at the May meeting and take over June 1st.

We LOVE Guests!

The first time they visit, there is no charge for their meal. If they visit additional times (and are not joining the club) the meal will be charged to you.

Location

Each year, we evaluate the location for meetings and strive to find the best price for our members, including room and meal costs. If you have recommendations for other locations, please share them with Vice President - Alyssa Baker.

Do you have Dietary Restrictions?

If you would like to request special meals or have dietary restrictions (like vegan, vegetarian, etc.) that's NO PROBLEM! Just let our wonderful Vice President - Alyssa Baker know ahead of time!

Have Questions? Shout Outs?

Check Pingboard if you ever have questions about dates, times, and locations of events - it will be on the calendar!

If you'd like to be notified when someone gets Applause on Pingboard, go to "Edit Profile" then on the left select "Preferences" then turn on "Applause Emails" and select "Everyone". Full disclosure – for some reason it doesn't work with EVERY email address.

Want PERFECT ATTENDANCE?

If you want to be a member with PERFECT ATTENDANCE, to "make up" a general member meeting you missed, you can attend a Board Meeting, up to two per year. They are held on the last Tuesday of the month and all Board Meetings are open to members. You can ask any Board Member for more details.

Want to get more involved?

There are LOTS of opportunities to help on committees: Membership (helps us grow and keep members), New Beginnings (provides "orientation" for our new members), Public Relations, Service (all of our projects), Haiti Missions, Fundraising (which includes Zonta 5K, the Women of Achievement annual event and the Flea Market), Advocacy (women's issues), Nominating, and more!

Membership Circles

Membership Circles (Blue, Pink, Green, Purple and Orange) were created to build relationships, encourage participation in meetings, service projects, fundraising, retention, and recruit new members. Two members serve as co-leaders for each Circle. Each Circle is randomly assigned each June and decides as a group how they want to function as a circle.

We Follow the 4 Agreements

1. We are impeccable with our words, lifting others in all we say and do.
2. If we are impeccable with our words, then we never take things personally. What others say or do is not about us (or me), it's about them.
3. We always give others the benefit of the doubt. No one thinks, feels or acts just like me.
4. We always do our best, and some days that is better than others.

Our Founding and Charter Information

Our club was formed in 1976. In fact, three of our charter members are still active in the club, Mary Greaser, Naomi Newman and Mary Scherer. We are **Club Number 0784** in **Area 2** (Eastern Missouri) of **District 7** (North Dakota, South Dakota, Minnesota, Iowa, Eastern Kansas, and Missouri). Take every advantage of registering on the Zonta International website at zontainternational.org. Select the tab on the right "My Zonta" and create your "Sign In". Sign up for their notifications of amazing videos and announcements!

Building a better future

We established and supported the **Golden Z Club** of Southeast Missouri State University to develop future leaders in Zonta, help students develop leadership skills, promote career exploration and encourage them to participate in community, school and international service. We look forward to doing the same with Cape Central High School, forming a **Z Club**.
